Attention: William R. Smith, Deputy Director

Dear Mr. Smith:

LuBauer Petroleum has on three occasions
mailed your office the information as well as a personal
visit to give your office the above information.

1. The lease has reverted back to L. A. GeBauer.
2. This well was pumped by Robert Hawkins for about two months, then abandoned without our knowledge.
3. This well site has been marked with a dry hole marker in 1961.

Trusting this is the information you need.

Yours truly,
