Mr. Raymond Smith  
c/o Harrison & Smith Oil Company  
1306 West Third Avenue  
Roswell, New Mexico

Dear Mr. Smith:

We have been advised that you recently completed two producers in the Rangely area - the #2 Government located 250' south of the north line of Section 10, Township 1 North, Range 102 West, and the #3 Government located 400' south of the north line and 2310' east of the west line, Section 10, Township 1 North, Range 102 West.

It would appear that both of these wells were drilled in violation of our Rules and Regulations, since we do not have an approved "Intention to Drill" for either.

Would you please check into this matter at your earliest opportunity and advise.

Very truly yours,

OF THE STATE OF COLORADO
