Dear Mr. Mead:

You have been submitting production reports on the No. 3 Government (033804 B) well located NW SW, Section 11-1N-102W, Rangely field. However, our well file shows the well is still under the name of G & M Oil Company.

We have requested a Form 10, Certificate of Clearance, from you by form letter, but have never received an answer. Your early attention in submitting this form will be appreciated.

Very truly yours,
