Dear Mr. Curtis:

Confirming your phone conversations with Mr. Rice, President of Petrel Oil Corporation and myself, we will appreciate a letter from your company waiving the State of Colorado Regulation No. 316 in the case of Petrel's proposed Morrison Well to be drilled on our Lease No. D032682 A, T1N R102W, Section 11, SW/NE, 1843 ft. south of north section line and 2155 ft. west of the east line.

We believe that this location places the proposed Morrison Well approximately 425 ft. from your Lease #052318.

We do appreciate your cooperation.

Cordially,

PETREL OIL CORPORATION
