Re: Notice of Reentry- East Hudson State B 1-16 and State 14-16
Township 1 North, Range 64 West, 6th P.M.
Section 16: W2
Weld County, Colorado

Dear Mr. Huttner:

Verdad Resources LLC ("Verdad") is required by the ECMC formerly the Colorado Oil and Gas Conservation Commission to complete a reentry and plug and abandon operation on the East Hudson State B 1-16 and State 14-16 (the "Wells"). According to Verdad's records, George J Turecek has been identified as the surface owner of the lands where the wells reside. The purpose of this letter is to inform you that Verdad, together with the Energy and Carbon Management Commission, has undertaken an extensive review of the well and has determined that the wells will need to have a workover rig on the well prior to new horizontal completions operations commencing in the area.

Please contact the undersigned to coordinate access to the well and any questions at jberghorn@verdadresources.com or 720-845-6912. Should you not have any questions please sign below and return to the address below as an acknowledgement of receipt of the notice and approval.

Sincerely,

Verdad Resources LLC

Jeff Berghorn
Land Manager
