Gentlemen:

We are in receipt of advices to the effect that the well covered under the captioned lease bond was plugged and abandoned on May 2, 1966. In the event it was, we presume liability under our bond may be released. We would appreciate your confirmation on the attached copy of this letter, giving the effective date of termination, in order that we may properly close our file.

For your convenience we attach a self-addressed, prepaid envelope and thank you in advance for your early reply.

Very truly yours,
