<p><b>COGCC Inspection Report Summary</b>                      On Monday 11/13/2023 at approximately 12:40 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Extraction 35-L location #453075 in Weld County, Colorado.                      While there, I observed that the #7 methanol system decal required replacement. During this inspection the following possible compliance issues were observed: Rule 605.h. with a corrective action date of 12/15/2023.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of the inspection report.</p>	petersont	11/13/2023
