<p><a href="#">COGCC Inspection Report Summary</a>                      On Wednesday 11/15/2023 at approximately 12:20 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Enerplus Alberta Cities East Pad location #455319 in Weld County, Colorado.                      While there, I observed that no battery sign was posted. During this inspection the following possible compliance issues were observed: Rule 605.e. with a corrective action date of 2/16/2024.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of the inspection report.</p>	petersont	11/15/2023
