Gentlemen:

Today we received a completion report on your M. V. Smith #36, located on Lot 10, Section 2, Township 1 North, Range 102 West, Rangely Field, Colorado, and were somewhat surprised since the last report we received in June of this year indicated the well had been abandoned.

Please advise if this is the proper well, and if so bear in mind, hereafter, that the intention to re-enter should be approved prior to commencing operations in that regard.

Your early attention to this matter will be greatly appreciated.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION

William R. Smith, Deputy Director
