Dear Mr. Morton:

In November, 1971 we sent you a form letter requesting the following forms be filed on your Number 1 Penrose, et al well located in Section 35-1N-95W, Rio Blanco County, Colorado:

Form 1: Designation of Agent  
Form 3: Well Bond (\$5,000.)  
Form 10: Certificate of Clearance

We have also requested that monthly production reports (Form 7) be filed each month.

Prior to November, 1971 we contacted you several times by phone concerning the above reports. To date, we have not received any of the reports. Forms were sent to you in April and again in November.

A \$2,500. bond (Number 19 S 24,326) issued to Continental Energy Corporation by the Aetna Casualty and Surety Company on the well is still in effect and well remain so until you have met our requirements. If the above requirements are not met by April 1, 1972, we will act on the bond to have the well plugged.

Very truly yours,
