Comment Location is not accessible during normal business hours.

ECMC Staff was unable to access the Location due to a locked gate. Staff's attempts to contact TEP Staff (including TEP's Environmental Lead, and the Silt Field Superintendent staff) were unsuccessful; ECMC Staff was also unable to leave requests for a call back, as either the phone's "voice-mail was not set up", or was "not taking calls at this time" and lacked a prompt to leave a message.

Corrective Action Provide key, combinations, or alternate method of access to comply with rule 204
