Community Consultation Plan

COLT Oil and Gas Development Plan (OGDP)

This includes five proposed pads:

Daniel Boone 8-15HZ

East Street 14-22HZ

Hi Chapparal 15-23HZ

Hickory Miguel 8-10HZ

Roan Angel 5-23HZ

Weld County, Colorado

April 2023

COLT OGD PROXIMITY TO RBU RECEPTORS

| Pad or Facility | # RBU's within 2000' | Closest RBU to Working Pad Surface (WPS) | # RBU's within 1,000' |
|-----------------------|----------------------|--|-----------------------|
| Daniel Boone 8-15HZ | 0 | 2,000+ | 0 |
| East Street 14-22HZ | 0 | 2,000+ | 0 |
| Hi Chapparal 15-23HZ | 0 | 2,000+ | 0 |
| Hickory Miguel 8-10HZ | 0 | 2,000+ | 0 |
| Roan Angel 5-23 HZ | 0 | 2,000+ | 0 |

- The planned development avoids impacts on residents by well pads and facilities located more than one (1) mile from the nearest Residential Building Unit.
- The proposed Colt OGD area is in a geographically remote area located north of Roggen, CO, and south of U.S. Highway 34.
- Traffic will be contained within the COLT OGD boundary and U.S. Highway 34, avoiding County roads or residential streets.

** Over the past 12 months

- The COLT OGD is more than a mile away from Disproportionately Impacted Communities

COMPLETED COMMUNITY CONSULTATION

- KMOG held a community meeting on May 23, 2022, for the Bronco CAP, which includes the Colt OGD, to provide the project overview and answer questions. The meeting slides are linked on our website, [Bronco Comprehensive Area Plan | Oxy Colorado Stakeholder Relations](#)
- The COGCC approved the Bronco CAP, which includes the Colt OGD, on August 10, 2022.
- KMOG provided a 30-day application notice for our Weld County Comprehensive Development Plan (CDP) via certified mail to the five interested parties, including Cervi Enterprises Inc., the State of Colorado, COGCC Director, CPW, and Weld County OGD.

PLANNED COMMUNITY CONSULTATION

Stakeholder Best Management Practices (BMPs):

- The Stakeholder Relations team is a dedicated resource for community members, and we are available during daytime and evening hours. We respond to community inquiries within one business day

- Proactive community consultation includes sharing information, listening to community members, and considering their input and concerns related to all aspects of our operations, including public health, safety, and welfare
- We offer multiple ways for stakeholders to communicate with us, including phone, mail, email, text, in-person, and our stakeholder website. We will adapt our outreach to meet each stakeholder's preference

The following provides specific details about our planned outreach for the Colt OGD. A final report detailing all community engagement will be submitted to the COGCC before the OGD hearing

Planned Community Consultation Throughout Permitting:

- The stakeholder team is available to those with questions or interests in this OGD to listen to feedback and answer questions. The OGD area is not linguistically isolated; however, we will include an offer for interpretation services
- We will offer the community a variety of engagement opportunities, such as community meetings, door-to-door, small group meetings, phone calls, and emails upon request
- In addition to having direct conversations and other notices, we will send the completeness letter to all interested parties and post it to the stakeholder website. The letter will include the following information:
 - Proposed location description and map, including legal description
 - The number and orientation of wells, types of equipment, and infrastructure related to anticipated operations
 - A description, proposed timeline, and expected duration of planned operations, including construction, drilling, completions, production, and reclamation
 - The proposed haul routes and traffic volume associated with each phase of operations
 - A description of each stage of operation along with a description of our BMPs to mitigate potential impacts, including noise, light, odor, dust, traffic, and visual
 - Contact information for our Stakeholder Relations team

Planned Community Consultation After OGD Approval:

- Send all required COGCC, and Weld County notices
- Provide frequent project updates and post all notices and hearing information on the dedicated OxyColoradoStakeholder.com/bronco-cap web page
- Throughout the entire life of the wells and facilities, our Stakeholder Relations team is available via:
 - **Phone:** 1.866.248.9577
 - **Email:** ColoradoStakeholder@oxy.com
 - **Website:** OxyColoradoStakeholder.com
 - **Our 24-hour Integrated Operations Center:** 970.515.1500
