## Inspection Photos

Operator Name: ANSCHUTZ EXPLORATION CORP #3104

Location ID: 484545

**Photo 9:** Photos taken from the southern end of the Location. Photos examples showing fill material has been pushed into drainages of Rimrock Gulch, an intermittent stream and designated Aquatic Sportfish Management Waters. Photos show fill slopes lack stabilization, and stormwater and erosion control measures have not been implemented along the location's perimeter. Location at risk of off-site sediment transport and impacting waters of the state.
