Dear Sir:

On August 8, 1967 we received a temporary abandon report on this well. To date you have not sent in the plugging report so file can be closed.

Your bond cannot be released until data is received and our engineer has inspected the site. If in his opinion, the well has been plugged properly, we will release bond by letter.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION

D.V.Rogers, Director
L.D.
