Re: Aetna Casualty and Surety Company  
Bond No. 19S17094

Dear Mr. Huey:

Please be advised that the above captioned bond which is the Oil and Gas Lease Bond in the amount of \$2500.00 comes up for renewal on August 20, 1970.

We have your note of last year stating that this well was abandoned, however, in order to cancel this bond we need the release from the State to send to the Bonding Company.

We would appreciate you sending us this release by return mail so we can get this bond cancelled for you.

Yours very truly,

  
J. C. Cockriel
