Comment:

Corrective Action:	<p style="color: blue;">This location does not comply with Rule 1004. Reclamation rules require reclamation activities to be conducted within twelve months of plugging on non-cropland. Well was plugged 05/03/2017. The well location is overgrown with kochia and kochia is growing on the tank battery location.</p> <p style="color: blue;">The tank battery location also appears to be in use by the surface owner with surface owner equipment.</p> <p style="color: red;">Comply with Rule 1004. Reseed disturbance areas using a seed mixture requested by the surface owner, or a mixture prescribed by the local county NRCS. Establish vegetation with total perennial, non-invasive uniform plant cover of at least eighty (80) percent of reference area levels. Ensure erosion controls are implemented to stabilize the seeded soil. Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management.</p>	Date 12/07/2023
