General Comment:

CECMC Inspection Report Summary

On 12/28/2023 at approximately 12:58 hours, I, Compliance Specialist, Wayne Smelser

Conducted an on-site inspection at CAERUS PICEANCE LLC N. PARACHUTE EF04D D28 595 Pad.

Location # 335822 in Garfield County Colorado.

Location is within High Priority/Density/NSO/Black Bear Habitat areas.

Location is approximately 89 yards from East Fork Parachute Creek.

While there, I observed normal production operations.

During this inspection the following compliance issues were observed:

1. Signs/Marker - All wellhead signs on location lack required information with a CA date of 01/30/2024
2. Housekeeping - Open ended pipping/wildlife hazard with a CA date of 01/07/2024

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with CECMC rules.

This is a summary of inspection report.

Production separation equipment & production tanks located at Middlefork Station facility #'s 419757 & 470699
