Dear Mr. Rogers:

Our pit application for the G. A. Henderson lease in Section 18, T 9 N, R 53 W, Logan County, was not approved as evidenced by your notice of March 7, 1973. Our application for the J. H. Montague lease in Section 12, T 9 N, R 54 W, Logan County, was declined on March 12, 1973.

Attached is an application for administrative approval to dispose of the water produced from the Dakota "D" formation from the G. A. Henderson and J. H. Montague leases into the same formation from which it was produced.

"Sundry Notices and Reports on Wells" forms for conversion to salt water disposal of our G. A. Henderson Well Nos. 2 and 4 are included.

Very truly yours,

  
F. L. Franz,  
District Production Manager.
