<p><b>COGCC Inspection Report Summary</b> On Friday 1/5/2024 at approximately 11:15 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Anadarko Hornung PC S28-10 D Tank Battery location #484401 in Weld County, Colorado. While there, I observed that the battery operator decals required replacement. During this inspection the following possible compliance issues were observed: Rule 605.g. with a corrective action date of 2/5/2024. A follow up inspection on this site needs to be conducted to ensure the compliance issues have been corrected to comply with ECMC rules. This is a summary of the inspection report.</p>	petersont	01/05/2024
