P.O. Box 1346  
Salt Lake City, Utah

Gentlemen:

Returned herewith please find a Notice of Intention to Drill your Madera Federal Well No. 2, 660 feet north of the section line and 510 feet east from the section line of Section 26, Township 9 North, Range 90 West of the 6th P.M., Moffat County, Colorado.

Before you can receive approval from this office of the above described location, it will be necessary that we receive a waiver for this location from the operator who has the lease which lies closer than 600 feet from the proposed location, or a statement that you are the owner if such is the case, or a statement as to topography if this is the reason for moving closer than 600 feet. The above is in accordance with Rule 317 of our general rules and regulations.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
