<p>COGCC Inspection Report Summary</p> <p>On Monday 1/8/2024 at approximately 10:30 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Energy Roach N 14-65-1HN location #330659 in Weld County, Colorado.</p> <p>While there, I observed that there was no emergency contact number on the wellhead sign, and the produced water vault producer decal required replacement. During this inspection the following possible compliance issues were observed: Rule 605.d. with a corrective action date of 2/9/2024 and Rule 605.g. with a corrective action date of 2/9/2024.</p> <p>A follow up inspection on this site needs to be conducted to ensure the compliance issues have been corrected to comply with ECMC rules.</p> <p>This is a summary of the inspection report.</p>	petersont	01/08/2024
