Comment: This location does not comply with Rule 1004. The former well location is experiencing non-uniform vegetation cover resulting in areas of bare soil, and the access roads have not been reclaimed (e.g. regraded, contoured). Additional reclamation activities are required in order for the location to meet Rule 1004 standards and regulations. Refer to attached inspection photos.

Corrective Action:	Comply with Rule 1004. The location will remain out of compliance until the corrective action has been resolved.	Date	01/03/2024
