

00085659

A 10x10 grid with a 2x2 orange square in the center. The grid is composed of 10 columns and 10 rows. A solid black line runs horizontally across the grid, separating the top 4 rows from the bottom 6 rows. Another solid black line runs horizontally across the grid, separating the bottom 4 rows from the bottom 2 rows. A solid black line runs vertically down the grid, separating the left 4 columns from the right 6 columns. A solid black line runs vertically down the grid, separating the right 4 columns from the right 2 columns. The intersection of these lines forms a 2x2 orange square in the center of the grid. The orange square is located in the 5th and 6th columns and the 5th and 6th rows. The rest of the grid is white. There are some small black specks and a small black circle in the grid. The number '4' is written in the top-left corner of the grid. The number '9' is written in the bottom-left corner of the grid.
