481115	LOCATION	AC			-	Red Rocks 1-13	RI

General Comment:

This is a follow up of the previous reclamation inspection #713600423.
See attached photos and additional details within this report.

The date of discovery is given for all new corrective action dates. It is ECMC's expectation that Operators are in compliance with ECMC rules at all times. Therefore, No extended CA dates are applied and the corrective action will remain out of compliance until completed.

Location

Lease Road:			
Type	Access		
comment:	There is a graded road south across the location which has disturbed vegetation and is not permitted (photo 4). The topsoil of the road is not being protected from degradation. Vehicles must stay on designated access road boundary only. This disturbance will need to be reclaimed.		
Corrective Action	Comply with 1002.e. surface disturbance minimization.	Date:	11/21/2023
