Comment This location does not comply with Rule 1003. During this inspection, Staff observed that the interim areas are predominantly undesirable vegetation (e.g. kochia and russian thistle). It does not appear the location has had active weed management throughout the previous growing season. Additional reclamation activities are required in order to comply with Rule 1003 regulations and standards. Refer to attached inspection photos.

Corrective Action Comply with Rule 1003. The location will remain out of compliance until the corrective action has been resolved.
