**General Comment:**

This is a follow up the previous reclamation inspections; Doc #713600094, #713600217, #713600418. See attached photos and additional details within this report.

The date of discovery is given for all new corrective action dates. It is ECMC's expectation that Operators are in compliance with ECMC rules at all times. Therefore, No extended CA dates are applied and the corrective action will remain out of compliance until completed.

**Waste Management:**

Type	Management	Condition	GPS (Lat) (Long)	
Drill Cuttings				
Comment	The drill cuttings pile was removed since the previous inspection. There is still a reddish color where drill cutting were stored which should be further cleaned up.  Drill cutting storage, handling, transport, and disposal must comply with Rule 905. Operator has received notices of this issue on other locations. Corrective action will remain out of compliance until completed. Immediate action is required.			
Corrective Action	Comply with Rule 905. for Management of E&P Waste. Clean up and contain per Rule 912.			Date: <u>08/15/2023</u>
