P/A

Dear Tom:

An Oil and Gas Lease Bond, #19-0130-11321-84-0, issued by USF&G as a single-well bond for the drilling of the Dude well, is no longer necessary. The well site has been restored, surface owner damages have been settled, and Lynx is requesting that a release of the Bond be provided to Lynx/Freberg/USF&G so that the Bond can be cancelled (the bond has an expiration of 12/20/86).

Thank you for your assistance.

Sincerely,  
LYNX EXPLORATION COMPANY
