<p><a href="#">ECMC Inspection Report Summary</a>                      On 2/22/24 I, Inspector Justin Medina conducted an on-site inspection at:                      Well Name- Klein (Lanyard Extension) 24-8                      Company Name- KPK                      Location ID-318615, Flowline ECMC Document # 402029656. Release point is approx. 50' east of tank battery.                      In Weld County Colorado.                      While there, I observed PR well                      This is a follow up inspection from call from land owner about explosion/flowline issue.                      During this inspection the following possible compliance issues were observed:</p> <p>Gas Release. Rule 912.a. 2/23/24</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with ECMC rules.                      At time of inspection weather conditions were cloudy, calm, rain/snow.                      This is a summary of inspection report.</p>	medinaj	02/22/2024
