Attention: Mr. D. V. Rogers  
Deputy Director

Gentlemen:

With reference to your letter of August 10, this is to advise that the location of our Sheibley #3 Well was 661' from the North line and 2002' from the East line. The erroneous location furnished you was taken from a plat of a different well.

We regret the delay in getting this information to you and will secure the necessary authorization before casing is removed from the above well.

Very truly yours,

B. F. ALLISON DRILLING COMPANY
