Frank 1 Re-entry Access Route.png;

Mr. Stroh,

Thank you for your time on the phone. Attached is the aerial I promised you. Please take a look at the aerial and let me know if the proposed access route works for you. If everything looks good to you, we will plan to start on March 2nd 2024 be done with the work no later than March 12th.

Thank you,

Robert King

*After looking at map, I am fine with
you having permission and access to old
well site*

Warren R. Stroh
