<p>COGCC Inspection Report Summary</p> <p>On Monday 3/18/2024 at approximately 12:15 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Schmidt G 30-65HN API #123-34635 in Weld County, Colorado. While there, I observed that the wellhead sign lacked an emergency contact number and there was unused equipment on location. During this inspection the following possible compliance issues were observed: Rule 605.d. with a corrective action date of 4/19/2024, Rule 606. with a corrective action date of 4/19/2024. A follow up inspection on this site needs to be conducted to ensure the compliance issues have been corrected to comply with ECMC rules. This is a summary of the inspection report.</p>	petersont	03/18/2024
