The Commission finds as follows:

1. That due notice of the time, place and purpose of the hearing has been given in all respects as required by law.
2. That the Commission has jurisdiction over the subject matter embraced in said Notice, and of the parties interested therein, and jurisdiction to promulgate the herein-after prescribed order.

That the drilling unit on which the exception is requested is located adjacent to producing units, and that the requirement to drill the well at the authorized location, as set forth in Rule 317 of the Rules and Regulations of The Oil and Gas Conservation Commission of the State of Colorado, would be inequitable or unreasonable.
4. That an exception to said Rule 317 should be allowed for a well to be drilled on the following described location:

Center of the Northeast Quarter of the
Southeast Quarter of the Southwest Quar-
ter (NE/4 SE/4 SW/4) of Section Twenty (20),
