<p>ECMC Inspection Report Summary                      On Wednesday March 27, 2024 at approximately 11:01 AM, I, Inspector Randy Silver, conducted an on-site inspection.                      Location: Community #1                      Operator: KP Kauffman                      API#: 001-07194                      County: Adams                      While there, I observed a producing well site and facility.                      During this inspection the following possible compliance issues were observed:                      Portapotty: Rule 606/602 Corrective action date of 4-27-24                      Unused equipment: Rule 606 Corrective action date of 4-27-24                      Tracking pad: Rule 1002 Corrective action date of 4-27-24                      Weather conditions: Clear                      A follow up on this site inspection needs to be conducted to ensure the Compliance issues have been corrected to comply with ECMC rules.                      This is a summary of inspection report.</p> <p>Any corrective actions from previous inspections that have not been addressed are still applicable</p>	silverr	03/27/2024
