Denver, Colorado 80203

Gentlemen:

This letter will confirm the plugging procedure for
the following well:

OPERATOR: <u>Robert Schulein, & Exeter</u>	
WELL NAME: <u>Walsh State #1</u>	
LOCATION: <u>NW SE 16-9N-56W</u>	DATE PLUGGED: <u>10/6/74</u>
<u>PLUGS</u>	<u>DEPTHS</u>
<u>15</u> sx.	<u>bottom of surface</u>
<u>10</u> sx.	<u>top of surface</u>
<u> </u> sx.	<u> </u>

JUNK LEFT IN HOLE? no IF SO, AT WHAT DEPTHS?

The remainder of the hole was filled with 10 pounds per
gallon mud.

If there is anything further you need regarding this well,
please feel free to contact our Denver office, address as
shown below.

Sincerely,

EXETER DRILLING AND
EXPLORATION COMPANY

Rig Superintendent
