<p>COGCC Inspection Report Summary WEATHER CONDITIONS: sunny, dry ground On Wednesday, April 17, 2024 at approximately 0945, I, Inspector Brittani Santistevan, conducted an on-site inspection at FEDERAL 32-10 (Crestone Peak Resources Operating, LLC), at location ID: 329308 in WELD COUNTY, Colorado. While there, I observed temporarily abandoned wellhead. During this inspection the following possible compliance issues were observed: 1. It appears signage displays the wrong wellhead name. Comply with Rule 605. (Corrective Action Date: April 24, 2024) See attached photo #2. 2. It appears to be unused/disconnected equipment at wellhead. Re-connect or remove from location to comply with Rule 606. (Corrective Action Date: April 24, 2024) See attached photo 3,4.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p>	santistb	04/17/2024
