

00226814

J. D. Dyer - #1 Peterson - NW NW SW, 20-8N-68W, Larimer County

Pipe cut below plough depth, and location graded and returned to cultivation.

The California Company #1 Adella Nash - SW NE, 27-7N-67W, Weld County

Same as above.

The California Company #2 Troy Jones - NW NE, 22-8N-66W, Weld County

Same as above.

The California Company #3 Windsor Reservoir - NE SW, 27-7N-67W, Weld County

This location was across a large irrigation ditch, but was viewed from some distance and, in light of the other California Co. wells above, is considered to be properly plugged.

Field Trip June 7, 1960
