Well No. 1 G. A. Doll 'B', ✓  
SE SW, 14-7N-58W

A check of our records indicates that there is not a bond covering the operations of the above-captioned wells in the Grail Field, Weld County, Colorado.

Since you are the operator of these wells, it is necessary that you meet the bonding requirements in compliance with Rule 304 (page 11) of the Rules and Regulations (copy enclosed).

In addition, we have never received a change of ownership from Pure Oil Co. to you for the No. 1 G. A. Doll 'B' well. Enclosed are some OGCC Form 10's for this purpose. Please indicate the date that you became operator.

These matters should be attended to as soon as possible. Should there be any questions, do not hesitate to contact us.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
