Dear Dennis:

Enclosed please find triplicate originals of the Application for Permit to Drill for the captioned well, each with a 2-page plat from Kenneth Alles.

An individual well plugging bond will be sent to your attention under separate cover. In the meantime, would you please begin processing the APD pending receipt of the bond.

Please put a sticky-note on the APD to return C & F's approved permit to me at the above address. If you need anything else, please let me know.
