Comment:

<p>Appears the Operator has performed final reclamation activities. The former location is situated within an industrial park/parking lot with equipment being stored near the former location; equipment does not appear to be related to this location/Operator. The Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. ECMC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1004. Refer to Environmental section and inspection photos.</p>
