Inspection Photos

Location Name: State Challenger 5-65 2-3 3BYH

Location ID: 451622

Photo 5. The photo was taken at the well location facing Southwest. The photo illustrates a missing cover on the exhaust of production equipment.

Photo 6. The photo was taken at the well location facing Southwest. The photo illustrates vehicle tracking through water ponding on the production pad.

Inspection Photos

Location Name: State Challenger 5-65 2-3 3BYH

Location ID: 451622

Photo 7. The photo was taken at the well location facing Northwest. The photo illustrates Leafy spurge, CO Noxious Weed List B species, that is growing around the Southwest corner of the interim areas and along the access road.

Photo 8. The photo was taken at the well location facing Northeast. The photo illustrates the grate around the wellhead is not sufficient to keep out wildlife and the cellar is full of water which has floated the wooden wildlife ramp that also appears to not be sufficient as a wildlife BMP.
