START OF PLUGGING OPERATIONS - 48-hour notice requiredDate: 06/17/2024 Time: 07:00 (HH:MM)Are Plugging Operations for this Well anticipated to last for longer than one day? Yes

If YES, briefly describe the planned activities and the estimated duration of these operations:

We will be starting plugging operations on this well if we get the BLM approval by the end of this week. If not, we'll most likely go to another well for a workover. A form 42 will also be submitted for that scenario. If we do start plugging operations on this well, it will most likely take 2-3 days.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct and complete.
