**General Comment:**

ECMC Inspection Report Summary  
 On Wednesday 7/17/2024, I, Inspector Scott Ramsey, conducted a routine inspection on site at Beaman Fish Creek #2 8-20, at Location # 316745 in Route county Colorado.  
 Any Corrective Actions from previous Inspections that have not been addressed are still applicable.  
 While there, I observed normal operations. This location is within or in close proximity to a CPW Density/High Priority Habitat, black bear, NSO habitat, Wildlife black bear Management and Density habitat.  
 During this inspection the following possible compliance issues were observed:

1. Stored equipment on location
2. Unused building/container on location
3. Propane tank is lacking information
4. Random debris
5. Staining throughout location
6. Load line missing cap/plug
7. Belt guard is missing on pump jack
8. Access road needs maintained

Refer to photograph of observed compliance issue.  
 A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.  
 This is a summary of inspection report.
