COMMENTS:

Operator does not own or operate the location - Upon review of this location, it appears an "Abandoned Location" form was submitted to COGCC in October 2003 which indicated this location had never been built. The well was proposed to be located on an existing pad (Ute #1) built by TXO in 1981. The attached includes an inspection report of the Ute #1 with a passed AL inspection result. SG Interests cancelled the Short project, which included not constructing the location nor drilling the well. SG did not conduct any work at this site.
