General Comment:

On 8/21/2024, Reclamation Specialist Trujillo conducted a final reclamation inspection at SWN Production Company LLC's Walker 12-1 location in Moffat County, Colorado.

This inspection is in response to Form 4 #403799126 and 403799524 stating "Final Reclamation is Complete".

It was observed in this inspection that reclamation has not been completed pursuant to 1004 requirements.

Refer to the Location, Environmental and Reclamation section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspection that have not been addressed are still applicable.

ECMC Comments		
Comment	User	Date
<p>Pursuant to Form 6(s) #403143542 well was P&Ad 5/13/2022.</p> <p>Pursuant to Rule 1004.a, all access roads to plugged and abandoned wells and associated production facilities shall be closed, graded and recontoured. Well locations, access roads and associated facilities shall be reclaimed. As applicable, compaction alleviation, restoration, and revegetation of well sites, associated production facilities, and access roads shall be performed to the same standards as established for interim reclamation under Rule 1003. All other equipment, supplies, weeds, rubbish, and other waste material shall be removed. All such reclamation work shall be completed within twelve (12) months on non-crop land after plugging a well or final closure of associated production facilities.</p> <p>It was observed in this inspection that the access road on the south end of the Location has not been reclaimed in accordance with ECMC 1004 Rules. Additionally, the access road leading south to the Lay Creek Facility also requires reclamation as this road was also constructed for access to the Walker 12-1 Location.</p> <p>Undesirable and Noxious Plant Species (Scotch thistle) observed established throughout the Location.</p>	trujilloam	08/26/2024
