Dear Mr. Waldeck:

Returned unapproved is your application to drill well No. 6-W,
lot 10, sec. 4, T. 1 N., R. 102 W., Rangely field, Colorado,
lease Colorado 028499.

This application was not approved because it does not provide for
any casing (surface or production) to be placed in the hole.
Drilling of a well without any casing, even in the Rangely Mancos
shale, is not satisfactory to this office.

Sincerely yours,

Rudolph C. Baier, Jr.,
Acting District Engineer
