Response:		CA COMPLETED	Date of Completion: 08/07/2024
Operator Comment:		There are no legible COAs on this document...? We just see, "Comply with CECMC debris rules" so we are responding a little blindly on this document as there doesn't appear to be a description of what the inspector is looking for here. We have removed any trash and weeds and have ensured that the tank berm is functioning as it properly should. Pictures attached.
