

Inspection Photos

API: 099-06285

Operator: LAMAR OIL & GAS EXPLORATION

Inspection Date: 9/24/2024

County: Prowers

Inspection Photos

Photo 1. Facing south toward the wellsite location. There is a cattle water tank on the south side of the location.

Inspection Photos

Photo 2. Center of the location facing east. This area is where the tank battery existed. It appears there is historic impacts from the tank battery that is impacting vegetation growth.
