

# Inspection Photos

ID#479908

Operator: **DOVER ATWOOD CORPORATION**

Inspection Date: 10/14/2024

County: BACA

**COLORADO**

**Energy & Carbon Management  
Commission**

Department of Natural Resources

## Inspection Photos

**Photo 1.** Facing northwest at the facility. The tank does not have secondary containment and the labeling is faded. There are weeds all around the equipment which is a fire hazard.
