ECMC Comments

Comment	User	Date
<p>ECMC Inspection Report Summary WEATHER CONDITIONS: sunny, dry ground. On Wednesday, October 2, 2024 at approximately 1100, I, Inspector Brittani Santistevan, conducted an on-site inspection at REI H 09-30D (Kerr McGee Oil & Gas Onshore), at location ID: 328397 in WELD COUNTY, Colorado. While there, I observed a plugged and abandoned location.</p> <p>During this inspection the following possible compliance issues were observed: 1. It appears a gas meter remains on location of PA wells. Any and all equipment associated with the wells are the operators responsibility to remove after all wells have been plugged and abandoned. Remove to comply with Rule 606, 603.m. (Corrective Action Date: November 3, 2024). See attached photo #2.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p>	santistb	10/03/2024
