**OPERATOR COMMENT AND SUBMITTAL**

Comment: We removed stained soil per the Corrective Action. The Corrective Guidance Comments that were in the report were also completed. We removed the tumbleweeds along north and west sides of the production facility pad, added Storm water BMP'S along the west and northsides of the production facility pad where they were needed and then added road base to the earth berms around the separator and gas meter shed.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
